## CURRENT WORK

**Rice University Baseball** (August 2023 - present)  
*Analytics Intern*

Filming games and bullpens, tracking in-game data, logging plays and events, tagging pitches, processing video/data, building opponent scouting reports, compiling pertinent matchup information for the coaching staff, and providing other support to Analytics Department.

**Prime Time Sports Talk** (October 2018 - present)  
*Content Director; Editor-in-Chief; Managing Partner*

Managing a staff of 30+ sports writers and editors while producing and monitoring content on website and social media platforms. Handling business operations, marketing initiatives, sponsorship opportunities, public relations efforts, and hiring staff.

**RotoBaller** (August 2021 - present)  
*Staff Writer, News Desk Correspondent, Expert Ranker*

Working closely with the editorial team to produce long-form written content ahead of specific deadlines. Also, providing fantasy football rankings for distribution to a national audience. Finally, working rigorous shifts to create short news stories that detail and analyze major developments in baseball and football.

## OTHER WORK

**FantasyPros** (February 2021 - present)  
*News Desk Correspondent, Expert Ranker*

**MLB Daily Dish, SB Nation** (September 2018 - April 2022)  
*Staff Writer*

**Sports Illustrated Kids** (September 2018 - April 2022)  
*Kid Reporter*

## EXPERIENCE

**Barrington Baseball Invitational Tournament** (May 2022 - present)  
*Director*

Creating game and umpire schedules, developing web presence, scoring games, organizing events, implementing marketing strategies, managing concessions inventory, coordinating volunteer schedules, and providing fan/team support.

**Rice Sport Analytics Team** (August 2023 - present)  
*Baseball Analytics Contributor*

Providing baseball analytics support and participating in Baseball Coding with R course.

**Strafford Recreational Sports** (September 2019 - present)  
*Webmaster and Social Media Coordinator*

Maintaining an active and professional web/social media presence while providing additional PR support to the board president.

**Rice Thresher** (August 2023 - present)  
*Assistant Sports Editor (previously Staff Writer)*

Attending Rice sports events and press conferences to provide content tailored to the student body. Additionally, attending several weekly staff meetings, discussing best methods for improvement, and meeting deadlines.

## SKILLS

Understanding of Python and R coding languages, methods, and applications.

Strong understanding of Microsoft products, including Excel and PowerPoint.

Exceptional knowledge of professional sports and analytics, especially baseball.

Experience evaluating high school, collegiate, and pro baseball talent.

Ability to produce/edit clean copy.

Ability to meet deadlines.

Strong work ethic and attention to detail.

Exceptional communication skills.

Success with recruiting, hiring, and managing employees.

Expertise in brainstorming ideas, overcoming obstacles, and solving problems in the workplace.

## HIGHLIGHTS

Competed and finished third place in the Cincinnati Reds' baseball analytics hackathon, showcasing a project in which my peers and I developed a data science model that accurately predicted in which role and scenarios a pitcher provided the most value.

Worked with MLB marketing analyst Logan Bement on two baseball business projects concerning journalism and management (2018-20).

Attended Baseball Winter Meetings and interviewed Joe Torre, Alex Cora, Nathan Eovaldi, Al Avila, and Sam Fuld (2018).
